

Madison .NET Annual Meeting Sponsorship Program

Thank you for your interest in sponsoring the **Madison .NET User Group (MADdotNET)!**

If you have any questions, please review our website (www.maddotnet.com) and contact us.

The Madison .NET user group is a **free** resource for developers and businesses alike, bringing both sides of the equation together; as a true benefit to both. However, we do have costs that need to be covered every year; focusing on incentives to increase our membership – and thus increase your exposure to more members at the same time.

We have been fortunate enough over the last few years to have a number of generous sponsors who have seen the value of the .NET user group and have been willing to donate to our cause. We are thrilled that you are considering becoming one of these cornerstone companies with a desire to see this community continue to grow and learn.
